

Helping deserving kids
find a future through education

Dear Friend,

On Monday, May 18, 2015, community leaders and business leaders will gather for an exciting day of golf benefiting youth throughout Arizona communities. The Youth Angels Foundation Golf Tournament is an invitation only annual golf event held over two days, May 17 and 18 at Desert Mountain Golf Club. With your continued support to this important event, we can help our community in this time of need. We have some news and a new name though Mission and Goal have not changed, what has changed is our name **"Youth Angels Foundation"** - and our path for attaining our goal.

Now, in 2014/15 we are spreading our wings. With our new name **"Youth Angels Foundation"** under the umbrella of the Arizona Community Foundation (ACF) we are reaching out to other organizations including the military and community programs (participation and/or volunteerism) to draw potential needy and deserving youth for our scholarships. EDUCATION is still our only focus, including scholarships to trade schools, community colleges and to four year schools.

None of this would have been possible without you, our wonderful sponsors, donors, volunteers, Desert Mountain and the Youth Angels Foundation Board members past and present.

It is our sincere hope that you will participate by donating to our upcoming raffle and/or silent auction on May 17 and 18, 2015.

A big "THANK YOU!" from us and all those kids that you have and will help!

Sincerely,

A handwritten signature in black ink, appearing to read "E. Greaves".
