

Helping deserving kids
find a future through education

2016 YAF Event

Dear Friend,

On Sunday night and Monday May 15 and 16, 2016, community and business leaders will gather for a challenging day of golf benefiting youth throughout our Arizona communities. **The Youth Angels Foundation Golf Tournament** is an invitation only annual golf event held over these two days at Desert Mountain Golf Club. With your support to this important event, we can help our communities' youth.

Youth Angels Foundation under the umbrella of the Arizona Community Foundation (ACF) is reaching out to a broad array of organizations including the **Military** and community programs (participation and/or volunteerism) to draw deserving youth in need of our scholarships.

Education is our only focus, including scholarships to four-year universities, community colleges or trade schools.

But, none of this would have been possible without you, our wonderful sponsors, donors, volunteers, Desert Mountain and the Youth Angels Foundation Board members past and present.

It is our sincere hope that we can count on you as a sponsor. A big "THANK YOU!" from us and all those kids that you have helped in the past and will in the future!

Sincerely,

A handwritten signature in black ink, appearing to read "E. Greaves".

Erika Greaves, Chairman
Youth Angels Foundation
